

Travel Clinic – Information for Patients.

NHS Travel Vaccines

- A consultation with the Practice Nurse, fully trained in Travel Vaccines, is free.
- The consultation will include a full risk assessment based on travel plans.
- An NHS prescription will be issued for any vaccines advised, in line with your travel plans.

The following vaccines are available on the NHS:

Hepatitis A

Tetanus

Polio

Typhoid

Diphtheria

Non NHS Travel Vaccines

- A consultation with the Practice Nurse, will be charged at a rate of £10.00 for each consultation plus £10 for each appointment for administering the vaccine.
- The consultation will include a full risk assessment based on travel plans.
- Private prescriptions will be issued for the vaccines advised, in line with your travel plans.

Non NHS vaccine:

Hepatitis B

Meningitis

Malaria prophylaxis

Japanese Encephalitis

Rabies

YELLOW FEVER

Yellow Fever vaccine will be charged at £50.00 for the Vaccine (provided by Practice) plus a £10 administration fee.

Payment by Cheque or Cash only.

Any patient requesting Yellow Fever, and not registered with Dr McDonnell & Partners, will need to bring a letter from their own GP requesting the vaccine.

GENERAL INFORMATION

All patients arranging appointments for the Travel Clinic must collect forms from Receptions or download - all forms need to be completed before coming in to see the Nurse.
